# Drum roll, please ...

On the pages that follow, we're thrilled to present the winners of the fourth annual Hammy Awards, a readers-choice contest sponsored by The Smithfield Times.

Since an initial outpouring of "Hammy Love" for the inaugural Hammy Awards in 2021, the contest's popularity has exceeded our expectations, which were admittedly lofty. This year people from Isle of Wight and Surry cast nearly 53,000 votes in some 200 categories, selecting their favorite people, places, things and organizations.

Though the Hammys are not a scientific survey, they are a fun way for our readers to sound off on everything they love about our community, expressing their sentiments through online nominations that took place over the summer. Once the nomination round closed, the top three nominees with the most votes became finalists in each

category for the voting round. As with any popularity contest, you'll disagree with some of the results, you'll be surprised by some and find yourself nodding in agreement on many.

The best way to show your favorite business your support, of course, is to continue giving them your business. After that, you can recommend your friends give them a shot, too. Our hometown merchants deserve your support. Meanwhile, we invite you to have a little fun while learning the winners of the fourth annual Hammy Awards.

We hope the Hammys will inspire you to get out and try businesses and places you've not experienced before. Who knows, you might just become a regular. Be sure to vote next year in the 2025 Hammy Awards. Stay tuned for details next spring.

Enough suspense. Drumroll, please. The 2024 Hammy Award goes to ...

## My Story:

In 2003 my wife and I decided to leave our native homeland, Italy, to come to the United States in search of a brighter future. In 2008 we welcomed our first son Alessandro and four years later our second son Marco was born. As a family, we have made so many sacrifices and have been through hardships. These struggles have helped us all to realize our dream of owning our own restaurant. With our love for Italian and Neapolitan cuisine, we present to you the flavors of our land.

Thank you from the bottom of our hearts for trusting us with one of the biggest transactions of your family's life. We are truly humbled by your support and couldn't have achieved this without our amazing lenders, contractors, inspectors, and settlement companies, all of whom work tirelessly to help your family succeed. Winning the 2024 Hammy Award is a reflection of this incredible teamwork. This one is for you, Isle of Wight!
